

Highland Leader Program 2007 to 2013

Maryburgh Development Plan

INTRODUCTION

The Highland Leader project is a European source of funding for Community and Charitable organisations.

To secure funding it is a requirement of the scheme that funds are distributed through Area Partnerships.

Maryburgh is a member of the Dingwall and Seaforth Partnership.

A consultant has been retained by Dingwall & Seaforth Partnership to produce a plan to support an application to the Highland Leader Action Group which has been established to manage the total Highland Area Fund. The plan is attached [here](#).

As part of the Dingwall & Seaforth Plan it is a requirement that we produce a MARYBURGH DEVELOPMENT PLAN.
